# Mildenhall Warren Lodge Open Day

## Sunday 26th May from 10.00 to 15.30

Visit the 600 year old Mildenhall Warren Lodge.

The only opportunity in 2024 to go inside this building and discover how rabbits were farmed for their meat and their fur.

See replica warreners' smocks and try your hand at net-making.

It's a free event and no booking is required.

Please follow the temporary signage on the A1065 north of the Barton Mills roundabout to Warren Lodge car park. We suggest you do not use your Sat Nav. Ten minute walk up the hill to the building. Grid Reference TL735752.
